FUN!
EXCITING!
AFFORDABLE!

THEATRE CONNECTION focuses on the interactive process that kids experience while creating an original play, from the very first spark of an idea to the final moment of taking a bow on stage!

Starts on **Saturday, January 21** at the **Willow Glen Community Center**. The session, designed for ages **7 & up**, starts with *fun* and *exciting* theatre games and improvised scenes. **Beginners welcomed, & encouraged to join us.** We meet **Saturday mornings (10am to 12pm)**. After getting to know the child actors, our director writes a play with parts for everyone. The young actors share the final production with parents, family & friends in mid-March on a real stage.

Price: \$108 (non San Jose residents \$116)
